

Flixborough Chemical Plant Disaster Report

You are required to produce a full report that covers all aspects of the disaster. Carry out research into the incident and an examination into the reasons why things went so badly wrong.

The information you need to gather for your report must include all of the following areas:-

- Title & date.
- Your name & group number.
- General background about to the plant.
- What happened during the incident.
- Include any photo's and sketches that you feel are relevant.
- Your conclusions as to why it happened or how it could have been avoided.

Finally, if you are in any doubts about any of the requirements of this exercise please ask.
